RAWCS Limited Projects

Projects aimed at addressing causes that are not aimed at direct humanitarian aid such as Protection of the Environment, Animal welfare, Promoting Peace or Research can be registered as RAWCS Limited projects and receive all available project services but will not be able to issue tax deductible receipts for donations.

RAWCS Ltd a Charitable Company. ABN 37 739 341 003

Rotary Australia World Community Service Ltd is a Company Limited by Guarantee owned, controlled and led by Australian Rotarians whose object is to assist disadvantaged communities and individuals through humanitarian aid projects. To do this the Company acts as the Corporate Trustee for three registered Charity Trust Funds which can register humanitarian aid projects and accept tax deductible donations to support these projects. These Trust Funds are:

Rotary Australia Overseas Aid Fund (RAOAF)	DRG 1 registered.	ABN 21 388 376 554
Rotary Australia Benevolent Society (RABS)	DRG 1 registered.	ABN 54 563 288 318
Rotary Australia Relief Fund (RARF)	DRG 2 registered.	ABN 80 595 697 237

Humanitarian aid projects in developing countries can be registered under RAOAF and be supported by tax deductible donations in Australia. Projects aimed at benevolent relief of individuals or defined groups of people in Australia can be registered under RABS and be supported by tax deductible donations in Australia. The RARF is a fund-raising Trust which directs donations to projects registered under RAOAF or RABS.

RAWCS Mission statement is:

“Within the areas of focus of Rotary International, to enhance support services to Australian Rotarians and Rotary Clubs to assist disadvantaged communities and individuals with humanitarian aid projects”

The seven areas of focus of Rotary International, currently referred to as critical causes, are:

1. Fighting Disease
2. Providing Clean Water
3. Supporting Education
4. Saving Mothers and Children
5. Growing Local Economies and
6. Protecting the Environment
7. Promoting Peace

In most cases causes 1. to 5. in the above list can be supported by projects registered under RAOAF and RABS and attract tax deductible donations. However, under the current Charity Sub-type registrations of RAOAF and RABS projects that do not offer direct assistance to people in need or eligible groups of people such as projects addressing Protection of the Environment, Animal welfare or Promoting Peace cannot be supported under the current criteria of these DGR 1 funds. So, to enable these worthy causes to be supported, projects can be registered under RAWCS and receive the same facilitation services in all aspects except that they will not be able to issue tax deductible receipts for donations.
