RAWCS VOLUNTEERS MANUAL

Introduction

RAWCS was started as FAIM (Fourth Avenue In Motion) in 1964 by Keith Hopper from the Rotary Club of Inverell in NSW. The Fourth Avenue referred to the fourth Avenue of Rotary Service: International Service. FAIM grew and in 1987 became RAWCS (Rotary Australia World Community Service), a Company incorporated under ASIC. RAWCS has continued and expanded the work started under FAIM and now has over 400 active Projects that send approximately 1000 volunteers overseas each year.

The **Project Volunteer Team** program is not restricted to members of Rotary and Rotaract Clubs. Partners and non-Rotarians are most welcome to participate. While Volunteers are usually required to fund their own costs of travel, accommodation and living expenses, in some instances, Rotary Clubs or other organisations may provide some assistance.

In many locations volunteers must be able to cope with challenging work and living conditions whilst on site. A good sense of humour is a bonus. Most teams usually spend 2 weeks working at a site with the local people and then either return home directly or spend a few days sightseeing. The Program also provides an excellent opportunity to promote and foster International Understanding, Goodwill and Peace.

Volunteer Registration

To register a Volunteer Team, follow the process shown under Volunteers link on the RAWCS website (<https://rawcs.org.au/>). All Volunteer applications are totally online and are oversighted by the Regional RAWCS Volunteers Supervisor.

Volunteer Responsibilities

Volunteers are invited to enter their details by:

- Entering an online link sent to them by email from the RAWCS Volunteer website.
- Entering online their personal contact details, travel dates, passport details, next of kin details, sponsoring Rotary Club and accommodation details.
- Once the website accepts the details provided, each volunteer must read & agree to Volunteer Agreement, Release and Waiver of Liability and Code of Conduct by using the on-line acceptance link. The date & time of agreement will be detailed on the application.
- Read and accept the RAWCS Agreement & Waiver of Liability and Code of Conduct by signing the Signature Form that is also signed by their sponsoring Rotary Club President
- Seeking advice from their own doctor on medications and vaccinations required for where they will be performing the volunteer duties
- Providing the Medical Statement form signed by themselves and the signed Medical Statement – Fit to Travel from their doctor
- Providing evidence of their Working with Children Check (WWCC) from the authority in their state of residence or a current National Police Check.

- Seeking advice on the international travel requirements required for all the overseas countries visiting. Seek additional health advice from Federal Government Smart Traveller website. <https://www.smartraveller.gov.au/>.
- Volunteers who are members of a team need to be aware that the Team Leader has full authority and responsibility for the Team. Each volunteer should make sure they adhere to the Team Leader's direction and guidance at all times.

Rotary Club and Project Committee Responsibilities

Project Management.

- The Sponsoring Rotary Club appoints, supervises, and supports the Project Manager, Project Committee and volunteers, all of which are acting on behalf of RAWCS in relation to the Project.
- The Project Committee (a Project Manager, a Deputy Project Manager and at least one other Committee Member) manages the Project and keeps the Club Board informed on all financial and progress activities of the Project.
- The Project Manager and the Deputy Project Manager must be Rotarians from the Sponsoring Club. The Committee Member may be either a Rotarian from another Rotary Club or a non-Rotarian.

Volunteer Team Application Signature Form

- Each volunteer must print off and arrange for their sponsoring Rotary Club President to sign this form. The sponsoring Rotary Club President by signing, acknowledges that their Club has agreed to sponsor this volunteer and commits their District to cover the volunteer with Rotary Australia National Travel Insurance.

Email Addresses.

PLEASE use a private email address as your email address on the RAWCS website. The email address is used by the RAWCS database as the key identifier of a person. Please do not input generic email addresses (e.g. presidentxxyyclub@rotary.com.au).

- These addresses will lead to a circular reference and will be rejected by email servers. Using an organisation, work address (e.g. info@cambodianxxyyproject.org.au), a Company or a .gov.au email address can lead to problems if the person leaves the organisation, Company or the Government department concerned and forgets to change their email address on the RAWCS website.
- Some work Internet Service Providers (ISP's) will block attachments and RAWCS will send you attachments in some cases. (Volunteer insurance documents and Project Managers receive copies of reports attached to the emails in PDF format). You can obtain a free private email address from most email service providers (e.g. Gmail and Yahoo) and your Internet Service Provider will usually allow multiple email addresses without additional charge.
